Executive Summary

French Tacos LT SRL reports Q2 2026 revenue of 584,240 DOP, up 63.7% versus Q2 2025. The quarter delivered a positive operating result of 22,671 DOP before the 7% special tax on revenue applicable under the company's fiscal status. Compared with Q1 2026, revenue declined by 24.8%, mainly reflecting seasonality and a more competitive local environment.

Financial Summary Table

Indicator	Amount (DOP)	Amount (USD)
Q2 2026 revenue	584 240 DOP	\$9 737.33
Result before special tax	22 671 DOP	\$377.85
Dominican Republic special tax (7% of revenue)	40 896,80 DOP	\$681.61
Result after special tax	-18 225,80 DOP	-\$303.76
Reported net margin before special tax	3.9 %	-
Quarterly investments	28 550 DOP	\$475.83

Quarter Highlights

- Quarterly revenue reached 584,240 DOP, versus 356,810 DOP in Q2 2025.
- Revenue increased 63.7% year-over-year and remained above the previous-year level for all three months.
- Revenue decreased 24.8% versus Q1 2026, after an exceptionally strong first quarter.
- Quarterly result before special tax remained positive at 22,671 DOP.
- Quarterly investments totaled 28,550 DOP while the business continued operating profitably before special tax.

Operational Highlights

- Comida / delivery revenue before taxes totaled 518,163 DOP across Q2 2026.
- Salaries totaled 129,000 DOP during the quarter, with stable monthly payroll at 43,000 DOP.
- Main fixed costs remained controlled: rent 63,000 DOP, internet 5,400 DOP and electricity 12,000 DOP.
- June posted a negative monthly result mainly due to a weaker revenue month and higher investment spend.
- The priority remains to increase delivery volume, protect margins and strengthen customer repeat purchases.

Simplified Comparison

Indicator	Q2 2025	Q1 2026	Q2 2026
Revenue	356,810	777,350	584,240
Result before special tax	-49,688	77,319	22,671
Net margin before special tax	n.a.	9.9 %	3.9 %
Quarterly investments	8,300	61,600	28,550

* Q2 2026 remains strongly above Q2 2025, but below the exceptionally strong Q1 2026.

2026 Updated Outlook

Based on H1 2026 performance and current operating assumptions, management updates the annual revenue scenarios as follows:

Scenario	Estimated annual revenue (DOP)	Estimated annual revenue (USD)
Low	2 336 000 DOP	\$38 933.33
Base	2 720 000 DOP	\$45 333.33
High	3 100 000 DOP	\$51 666.67
