Dominican Republic special tax (7% of revenue)	40 207,65 DOP	\$670.13
Result after special tax	-53 315,65 DOP	-\$888.59
Reported net margin before special tax	-2.3 %	-
Quarterly investments	9 350 DOP	\$155.83

Quarter Highlights

- Quarterly revenue reached 574,395 DOP, versus 483,205 DOP in Q3 2025.
- Revenue increased 18.9% year-over-year; July and August were above 2025 levels, while September was lower.
- Revenue decreased only 1.7% versus Q2 2026 despite the low-season environment.
- Quarterly result before special tax improved by 66,240 DOP versus Q3 2025, to -13,108 DOP.
- Quarterly investments totaled 9,350 DOP as the business prepared for the high season.

Operational Highlights

- Comida / delivery revenue before taxes totaled 520,152 DOP across Q3 2026.
- Salaries totaled 168,500 DOP during the quarter, reflecting a new employee recruited ahead of the high season.
- Main fixed costs remained controlled: rent 63,000 DOP, internet 5,400 DOP and electricity 12,000 DOP.
- The menu was expanded with nuggets and more personalized taco options as part of the high-season preparation.
- According to management, Q3 coincided with the weakest tourism period and hurricane-season pressure; tourist activity is expected to strengthen toward the end of Q4.

Simplified Comparison

Indicator	Q3 2025	Q2 2026	Q3 2026
Revenue	483,205	584,240	574,395
Result before special tax	-79,348	22,671	-13,108
Net margin before special tax	-16.4 %	3.9 %	-2.3 %
Quarterly investments	50,930	28,550	9,350

* Q3 2026 revenue increased 18.9% versus Q3 2025 and remained broadly stable versus Q2 2026 (-1.7%).

2026 Updated Outlook

Based on 9M 2026 revenue of 1,935,985 DOP, management retains the annual revenue scenarios published after H1 as reference for Q4. Reaching these levels would require Q4 revenue of 400,015 DOP, 784,015 DOP and 1,164,015 DOP respectively.

Scenario	Estimated annual revenue (DOP)	Estimated annual revenue (USD)
Low	2 336 000 DOP	\$38 933.33
Base	2 720 000 DOP	\$45 333.33
High	3 100 000 DOP	\$51 666.67
